A student who finds it necessary to change their schedule may do so either online (continuing students) or by visiting their academic advisor. A $10 Add/Drop fee is charged for each successful transaction after the regular registration period. A course may be added only during the period designated as Add/Drop. 3. Proceed to Building 39, 2nd floor Cashier’s Office to complete the payment process.

Exception: Students seeking entry to a closed class must obtain permission from the department chairperson of the department offering the course. Upon approval, the chairperson will facilitate the registration of class(es).

SPECIAL REQUESTS
Independent Study: Students who wish to enroll in independent study courses must have the approval of the academic department. Qualified students are second-year in associate degree programs and junior or senior students in baccalaureate degree programs, who are in good academic standing at the University and who have demonstrated their academic ability by attaining a minimum 2.8 or better cumulative GPA. Graduate students must have completed a minimum of 15 semester hours with a 3.0 cumulative GPA.

AUDITING COURSES
Audited courses are charged at the same rate as courses taken for credit and must have the appropriate instructor’s or department chairperson’s approval. The grade type for audited courses is “AU.”

REQUEST TO REPEAT A COURSE
Students who wish to improve their cumulative grade point average (CGPA) by repeating a course for which they have earned a grade may do so by re-registering and paying for the course. Although the lower grade remains a part of the student’s permanent record, only the higher grade is computed into the CGPA.

CONCURRENT ENROLLMENT POLICY
Students enrolled at the University who intend to take courses at other colleges and universities and earn transfer credits for these courses at UDC must submit a Concurrent Enrollment Approval Form and receive approval from the registrar prior to enrolling in the courses (enrollment through the Consortium of Universities is not considered concurrent enrollment).

Students seeking to earn General Education or elective (outside of the major) transfer credit must receive approval from the registrar for concurrent enrollment. Students seeking to earn credit towards required major or elective courses must receive approval from the chair of the department in which their declared major is offered in addition to the registrar. Failure to receive prior electronic or written approval for concurrent enrollment will result in denial of transfer credit consideration. Current UDC students who desire to enroll concurrently in UDC and at another institution and earn transfer credit towards an associate’s, bachelor’s, or master’s degree must meet the following eligibility criteria:
• Have completed a minimum of 15 credit hours (associate’s and bachelor’s) and 9 credit hours for graduate students
• Be in good academic and financial standing
• Have prior approval for earning credits at another institution while enrolled at UDC (concurrent enrollment approval)

The University will only approve transfer credits earned at other colleges/universities through concurrent enrollment that meet the criteria outlined under Transferring Credit to UDC. Students must submit an official transcript from the university in which the credits were earned, to the Office of Admissions, to ensure that the credits earned comply with the transfer credit criteria identified above and are officially applied towards their credits earned toward graduation.

CREDIT BY EXAMINATION

Students may receive credit for specific courses when they successfully complete a departmental examination and are approved by the appropriate chairperson/dean. The following rules apply:

Students must receive prior permission from the chairperson of the department offering the course.

After registration begins, and before the midterm grading period in the semester the examination is to be administered, the student must submit the approved Credit by Exam form to the Office of the Registrar.

Students seeking credit by examination must be currently enrolled in a degree program and be in good academic standing. Students may seek credit by examination only for courses in which the student has never enrolled, and the examination may be taken only once per course.

Students may not be registered for the maximum number of hours for the term in which credit by examination is requested.

A fee of $50.00 per credit hour and any additional tuition must be paid prior to the administration of the examination.

The examination must be administered before the end of the final examination period, listed in the Academic Calendar, for the semester the credit by examination was administered.

Upon successful completion of the examination, the credit must be approved by the department chairperson and the dean.

The grade earned through the credit by examination process must be submitted to the Office of the Registrar by the end of the Final Examination period, listed in the Academic Calendar, for the semester the credit by examination was administered.

Credit earned by examination will appear on the students’ transcripts as “CR” and will not be included in computing the GPA.

WITHDRAWAL FROM A COURSE

A student may officially withdraw from a class without penalty prior to the date posted in the current academic calendar. When such a withdrawal is processed officially and filed with the Office of the Registrar, a grade of “W” will be entered on the student’s transcript. If the student stops attending class or fails to file the Request Drop Form on time, a failing grade may be given. All students applying for or receiving any form of financial aid must report any withdrawals to the Financial Aid Office as their current or future eligibility may be affected. Withdrawal forms are available in the Office of the Registrar (Administration Building, A level).

TOTAL WITHDRAWAL PROCEDURES

Students wanting to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period) must do so by submitting the Total Withdrawal Form to the Office of the Registrar (Administration Building, A level).

Withdrawals do not affect the cumulative GPA but will affect academic suspension/dismissal. All students applying for or receiving any form of financial aid must report any withdrawals to their financial aid officer, as their current and future eligibility may be affected.

DETERMINING THE WITHDRAWAL DATE: The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar.

The University does not assess a total withdrawal fee.

A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY MUST APPLY FOR READMISSION TO THE UNIVERSITY.

GRADES

Grades are available online only. To access your grades go to my.udc.edu.

COMMUNITY COLL./FLAGSHIP CROSS REGISTRATION

Students admitted to the Community College are restricted to Community College courses, and pay Community College fees.*

Students admitted to the Flagship University are restricted to Flagship University courses, and pay Flagship University fees.*

Graduate courses are restricted to graduate level students. Further, regardless of the level of the course taken by graduate level students, graduate fees are assessed.

*Exceptions to the above must be justified, in writing, by the appropriate deans.

APPLICATION FOR GRADUATION

Students who expect to complete their academic degree requirements during the current semester should submit an Application for Graduation to the Office of the Registrar on or before the deadline indicated in the academic calendar and pay the required $125 commencement fee in the cashier’s office. However, the submission of an application does not guarantee graduation. Only those students who have met “all” academic requirements and who have satisfied “all” financial obligations will be cleared for graduation. In the event that a student does not complete graduation requirements in the designated term, a new Application for Graduation must be submitted for the term when all requirements have been met; no additional fee is required. Students are strongly encouraged to meet with their academic advisor each semester to ensure that academic requirements are being met for the degree objective pursued and that they are on target for graduation.

FINANCIAL AID

You are able to check your financial aid status online via www.udc.edu/register. You must have your User ID number and PIN (birthday—two-digit month, day and year) in order to access your account.

PAYING FOR CLASSES

You are able to pay for your classes online. Once you have completed your registration for classes, there will be a “Pay Online” button, which will direct you to the secured payment site. (If an ID and password are requested, please use your Banner ID and password to log into the payment site.) No need to stand in the financial aid line! Enjoy the flexibility of online access! If you are eligible for financial aid and funds have not posted, report to the Office of Financial Aid.

ACADEMIC GOOD STANDING FOR ALL FINANCIAL AID APPLICANTS & RECIPIENTS

1. Students Who Have Applied for and/or Received Aid

Students who have applied for financial aid but have not received a response for a valid Student Aid Report (SAR) should come to the Financial Aid Office to check their status. Failure to do so will cause your classes to be dropped for nonpayment if you have not made other arrangements with Student Accounts to pay your bill. All students who have received an award letter should review their bill to make sure that the financial aid on the financial statement agrees with the amount on the
award letter. After registration, notify your financial aid counselor of any discrepancies. If you have your award letter, you do not need to contact the Financial Aid Office during the registration period.

2. Satisfactory Academic Classes
   All undergraduate and graduate students who apply for financial aid will have their academic standards evaluated in accordance with the SAP policy, which is viewable and can be printed from the Financial Aid UDC website. Copies of the policy are available in the Financial Aid Office. Students who fail to meet the minimum standards could be in jeopardy of losing their financial aid.

3. Policy for Withdrawal and Unofficial Withdrawals
   If you totally withdraw from school, the law states that the amount of Federal Student Aid Assistance you have “earned” up to the point of withdrawal must be determined by a specific formula. If you received more assistance than you earned, the excess funds must be returned. An unofficial withdrawal is when you stop attending classes and do not complete the Withdrawal Form in the registrar’s office located in Building 39, Room 135. The amount of assistance you have earned is determined on a pro-rata basis. That is, if you completed 30 percent of the payment period or five weeks of classes, you earned 30 percent of the assistance you were originally scheduled to receive. The unearned portion must be repaid by the student. If you do not repay these funds to the University, you will be barred from the next registration period. Students who complete at least 60 percent of the payment period or 10 weeks of the semester earned the amount of the financial aid award. For additional information on this policy, please call 202.274.5060 or come to the Financial Aid Office in Building 39, Room A 111.

4. Nonattendance
   Any student who has unofficially withdrawn* from the University and is a recipient of federal financial aid will be placed in overpayment status for the financial aid received. If a student stops attending class, the student must contact the registrar’s office to officially withdraw and notify the Financial Aid Office.

*Student who registers for classes but does not attend

**RESIDENCY REQUIREMENTS**

**RESIDENCY DEFINITION**

For admissions and tuition purposes, applicants are classified as District, Metro Area, or Out-of-State students, and pay differing tuition rates accordingly. These classifications are defined as follows:

- **District:** Bona fide residents of the District of Columbia
- **Metro Area:** Bona fide residents of one of the following counties: Montgomery County, Prince George’s County, Arlington County, Alexandria County, or Fairfax County
- **Out-of-State:** Residents of any state, territory, or county other than those defined by the District and Metro Area

**BURDEN OF PROOF**

The person seeking District or Metro Area status has the burden of providing a preponderance of evidence that he or she satisfies the requirements and standards set forth in this Policy. Assignment of District or Metro status will be made by UDC based on the totality of facts known or presented. With the special population exceptions noted below, students who fail to provide UDC with documentation as to their residency status will automatically be classified as Out-Of-State and pay the tuition accordingly.

**DISTRICT OR METRO AREA RESIDENCY STATUS QUALIFICATION**

To qualify for District or Metro Area status, all students must demonstrate that, for at least 12 consecutive months immediately prior to and including the last date available to register for courses in the semester/term for which the student seeks in-state tuition status, the student was and currently is:

1. Domiciled in the District or Metro area, and either paid District of Columbia or Metro Area income taxes or received public assistance from a District of Columbia/Metro Area government agency; OR
2. Claimed as a dependent on District of Columbia or Metro Area resident tax returns filed by a parent or spouse who is domiciled in the District or Metro Area

All applicants must also show that they have resided in the District or Metro Area primarily for a purpose other than that of attending an educational institution in the District or Metro Area.

**PROOF OF QUALIFICATIONS**

**Primary Proof of Residency:**

In order to prove that students meet the qualifications for District or Metro Area status, students can submit one of the following primary forms of proof that covers the 12 month period in question on their own behalf, or if claimed as a dependent, on behalf of their parent(s) or legal guardian(s):

1. District of Columbia Form D-40 or D-40EZ income tax return; or Virginia Form 760 (resident individual income tax return) or other resident individual tax return that bears an address in a Metro Area county; or Maryland Form 502 (resident individual income tax return) or other resident individual tax return that bears an address in a Metro Area county; OR

1. Lease or mortgage agreements
2. Driver’s license

   a. Students who meet this qualification will automatically qualify for District or Metro Area status.
   b. Students whose transcripts do not include an address must provide a certification form from their high school indicating that they were classified as a resident of the District or Metro Area county, or provide one of the primary or secondary forms of proof noted.

2. Students with documented disabilities can rely on the Disability Resource Center for their initial status classification, or subsequently alter their residency status.
   a. Students who meet this qualification must provide two forms of proof. First, students must provide the Office with an employment letter identifying dates of employment or other official document from District Human Resources that they have guaranteed employment with the District Government for the semester/term for which the student seeks District residency status. Second, students must provide the Office with a letter, on letterhead and signed by their supervisor, from their employing agency that clearly states that the employee is engaged in agency-sponsored education and training and that enrollment at UDC will help to enhance their education and training. Such employees who provide the proof noted below qualify for District residency status.

RESIDENCY SUBMISSION AND EVALUATION PROCEDURES
The following procedures govern the classification of residency status:

With the exception of those special population of students whose transcripts are sufficient for residency classification purposes, ALL other students who wish to establish District or Metro Area status must submit the documentation identified above to the Office of Admissions within at least 14 days prior to the last date of registration for the term to guarantee that the Office reviews the forms in time for the current semester.

Students can either mail the appropriate documentation to the Office of Admissions with their Identification Number (N-Number) and the type of forms (Residency) clearly marked on the envelope, or send electronic/scanned copies of documents to the Office at UDCadmissions@udc.edu.

Based upon the preponderance of evidence received, the Office will make an initial determination of residency status, and communicate this decision to students, within 7 days after receipt of the documentation via the primary email address provided by the student. The determination made at that time, and any determination made thereafter, shall prevail for each semester/term unless and until the determination is successfully challenged or changed.

For new students who wish to rebut their status classification, a change in status must be requested by a student and documentation received by the Office of Admissions within 7 days of the initial residency notification.

Continuing students who want to change their residency status must request a change and submit all documentation to the Office of the Registrar at least 21 days prior to the last date of registration for the semester/term for which the change is requested. The Registrar will issue a decision within 15 days of receipt.

Continuing students are required to notify the Office of the Registrar in writing within 7 days of any change in circumstances which may alter their residency status.

In the event that students submit incomplete, false, or misleading information to UDC for their initial status classification, or subsequently fail to notify UDC of circumstances that would alter their residency status, UDC may, at its discretion, revoke District or Metro Area status and take disciplinary action including suspension or expulsion. If District or Metro area status is gained or maintained due to false or misleading information, UDC reserves the right to retroactively assess all out-of-state charges for each semester/term affected.

Students enrolled at UDC may be eligible to take courses at any of the member institutions. Courses taken through the Consortium must be required for your program of study and not offered in the given semester at UDC. Students are limited to six hours per semester (fall and spring only) through the Consortium. However, graduate students who have previously been granted nine transfer credits from non-Consortium schools may enroll and receive resident credit in only one of the Consortium institutions. Students are not eligible to take certification courses through the Consortium. To be eligible for participation in the Consortium, students must:

1. be enrolled in a degree-granting program and be registered for the current semester at UDC
2. have approval from an academic major department and the dean
3. be in good academic standing with a cumulative GPA of 2.0 (3.0 GPA for graduate students)
4. be in good financial standing at the University of the District of Columbia and

Registration forms and instructions are available from the University Consortium registration coordinator in the registrar’s office. The student must pay UDC tuition and fees for the current semester before becoming eligible to attend institutions of the Consortium. Official registration in the University of the District of Columbia is a prerequisite for the Consortium registration. Forms may be obtained from the coordinator during registration in Building 39, Room A-12.
