Monday December 1st, 2014

“Deepsouth”
a documentary film
Building 41, Room A03 10:00am & 5:30pm

Three decades into the HIV/AIDS epidemic, “Deepsouth” tells the untold story of a region overlooked by LGBT and AIDS activism. The film documents the first-hand experience of a handful of people who live outside the system, creating their own solutions to survive.

“Engaging Youth Voices in the HIV and AIDS Discussion”

World AIDS Day program and reception
Building 38, Windows lounge 1:00pm – 3:00pm

A panel discussion amongst our nation’s young people who will discuss their experiences around HIV/AIDS as it relates to its social, psychological, and physical impact on their lives.

Special Guests: Dr. Ron Simmons, Keynote Speaker and Panelist - Gay Anthony, Kia LaBeija, & Abraham Johnson

HIV Testing

Metro Health
University Health Services, Building 44, Suite A40, 12:00–4:00pm
