❖ To view the list of academic departments, see section “Colleges, Schools, and Departments” on page 16. Please note that advising locations for specific departments may be different from their normal office locations and are noted in the Agenda.

❖ Don’t worry if you are undecided about your major. You will meet with an Advisor who can help you explore your talents, discover new interests, and identify courses that may appeal to your needs.

STEP 5 – STUDENT HEALTH INSURANCE
The University of the District of Columbia is proud to offer students accident and illness insurance coverage for the 2013-2014 academic year through United Health Care Insurance Company.

Since student insurance coverage is mandatory, students are automatically enrolled in the insurance plan when registering for classes. Students should be prepared at the time of registration to pay the insurance fee.

Those who already have comparable coverage and wish to waive out of the plan can do so online 24 hours after registration. If students waive coverage, a credit to their student account will be processed about 2 weeks after the add-drop period. Credits will not reflect immediately.

- First, students should visit First Student to learn about the plan or complete the online waiver process or provide proof of comparable insurance coverage.
- If you do not want insurance coverage, the Fall 2013 insurance waive period will close on 9/14/2013. Students WILL NOT be able to waive the insurance fee after this date.
- The Fall 2013 insurance waiver deadline applies to all new and continuing students.
- Please complete the waiver process or register online for the insurance before 9/14/2013. Late waivers will not be granted.

Book Voucher Process

Bring your list of classes to the bookstore and staff can assist you.

You will be responsible for full payment of your bookstore charges if you become ineligible for financial aid or if your financial aid is reduced and is not sufficient to cover your account balance.

You will be responsible for charges added to your account by the bookstore after financial aid has disbursed to your account and your refund check has been mailed to you.

If a textbook or other item is out of stock and will not be in by the imposed deadline date to use the book voucher, you may prepay using the book voucher or you may wish to have funds transferred to a debit card so that you will be able to make the purchase once the item is in stock.

You must have completed the Free Application for Federal Student Aid (FAFSA) and awarded financial aid for the term that you are requesting the book voucher. The book voucher is not an additional source of funding; however it can be offered if your current financial aid exceeds all charges (tuition, fees, etc).

You must be registered for the term that the book voucher is being requested. It is not an automatic offer. The student must make the request (each term) to the Financial Aid Office (FA) in order to determine eligibility.

The offer and use of the book voucher reduces the amount of the financial aid refund that the student will receive. You must present your UDC student ID in Financial Aid to request a book voucher and at the bookstore in order to make purchases.

You have the option of making purchases with your student ID until the established deadline date. No purchases can be made after the imposed deadline date.

You may have all or a portion of your book voucher amount placed on a gift card. The gift card does not expire and can be used to make purchases at the bookstore or online at www.udc bkstr.com.
