When this happens, the username (firstname.lastname) is suffixed with a number like: firstname.lastname2 or firstname.lastname3. The username portion of the email address can be used to access Blackboard and Wireless connections.

Once issued, email accounts must be activated by the student. For detailed instructions on how to retrieve and activate your student email and access your account, please visit **stu.in.udc.edu.**

To access the email, please visit: **owa.udc.edu.** The user name is smartchoice\firstname.lastname and the initial password is your student ID number.

WITHDRAWAL FROM A COURSE

A student may officially withdraw from a class without penalty prior to the date posted in the current academic calendar. When such a withdrawal is processed officially and filed with the Office of the Registrar, a grade of "W" will be entered on the student's transcript. If the student stops attending class or fails to file the Request Drop Form on time, a failing grade may be given. All students applying for or receiving any form of financial aid must report any withdrawals to the Financial Aid Office as their current or future eligibility may be affected. Withdrawal forms are available in the registrar's office, Building 39, Room A-12.

TOTAL WITHDRAWAL PROCEDURES

Students may use one of the following options to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period):

1. Submit the Total Withdrawal Form to the Office of the University Registrar (Building 39, Room A-12).

DETERMINING THE WITHDRAWAL DATE: The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar or online.

The University does not assess a total withdrawal fee.

A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY MUST APPLY FOR READMISSION TO THE UNIVERSITY.

COMMUNITY COLLEGE AND UNIVERSITY CROSS REGISTRATION

Special permission from appropriate academic dean is necessary for CC students to take courses in the University and, conversely, for University students to take courses offered in the CC.

APPLICATION FOR GRADUATION

Students who expect to complete their academic degree requirements during the current semester should submit an Application for Graduation to the Office of the Registrar on or before the deadline indicated in the academic calendar and pay the required $125 commencement fee in the cashier's office. However, the submission of an application does not guarantee graduation. In the event that a student does not complete graduation requirements in the designated term, a new Application for Graduation must be submitted for the term when all requirements have been met; no additional fee is required. Students are strongly encouraged to meet with their academic advisor each semester to ensure that academic requirements are being met for the degree objective pursued and that they are on target for graduation.

ACADEMIC GOOD STANDING FOR ALL FINANCIAL AID APPLICANTS & RECIPIENTS

1. Students Who Have Applied for and/or Received Aid

Students who have applied for financial aid but have not received a response for a valid Student Aid Report (SAR) should come to the Financial Aid Office to check their status. Failure to do so will cause your classes to be dropped for nonpayment if you have not made other arrangements with Student Accounts to pay your bill. All students who have received an award letter should review their bill to make sure that the financial aid on the financial statement agrees with the amount on the award letter. After registration, notify your financial aid counselor of any discrepancies. If you have your award letter, you do not need to contact the Financial Aid Office during the registration period.

2. Satisfactory Academic Classes

All undergraduate and graduate students who apply for financial aid will have their academic standards evaluated in accordance with the SAP policy, which is viewable and can be printed from the Financial Aid UDC website. Copies of the policy are available in the Financial Aid Office. Students who fail to meet the minimum standards could be in jeopardy of losing their financial aid.

3. Policy for Withdrawal and Unofficial Withdrawals

If you totally withdraw from school, the law states that the amount of Federal Student Aid Assistance you have "earned" up to the point of withdrawal must be determined by a specific formula. If you received more assistance than you earned, the excess funds must be returned. An unofficial withdrawal is when you stop attending classes and do not complete the Withdrawal Form in the registrar's office located in Building 39, Room A-08. The amount of assistance you have earned is determined on a pro-rata basis. That is, if you completed 30 percent of the payment period or five weeks of classes, you earned 30 percent of the assistance you were originally scheduled to receive. The unearned portion must be repaid by the student. If you do not repay these funds to the University, you will be barred from the next registration period. Students who complete at least 60 percent of the payment period or 10 weeks of the semester earned the amount of the financial aid award. For additional information on this policy, please call 202.274.5060 or come to the Financial Aid Office in Building 39, Room 101.

4. Nonattendance

Any student who has unofficially withdrawn* from the University and is a recipient of federal financial aid will be placed in overpayment status for the financial aid received. If a student stops attending class, the student must contact the registrar's office to officially withdraw and notify the Financial Aid Office.

**Student who registers for classes but does not attend.*

REFUND AND RETURN OF TITLE IV FUNDS

PURPOSE: The purpose of this instructional notice is to state the University's institutional policies and procedures, as well as the Federal guidelines, pertaining to the refund and return of Title IV funds.

Pursuant to Section 485 of the Higher Education Amendments of 1998 (P.L.105-244)

Section 484B of the HEA of 1965, amended _ Statute enacted October 7, 1998 _ NPRM PUBLISHED August 6, 1999 _ Final Regulations published November 1, 1999

BACKGROUND: The federal guidelines for Title IV funds require that if a student withdraws or is expelled from the University that he may be required to return all or a portion of the federal Title IV funds awarded to him. If a recipient of Title IV aid (Pell grant, Supplemental Educational Opportunity grant, D. C. Leveraging Educational Assistance Partnership Program (formerly SSIG), National Direct Student Loan, Family Educational Loan Subsidized and Unsubsidized) withdraws during a payment period (i.e., a period of enrollment), the University must calculate the amount of Title IV aid the student earned. Unearned Title IV funds must be returned to the Title IV programs.

PROCEDURES: Official Withdrawal Process

Students may use one of the following options to effect a total withdrawal (withdrawing from all classes for which they are enrolled) from the University up to and including the last day of class (prior to the beginning of the final examination period):

1. Submit the Total Withdrawal Form to the Office of the University Registrar (Building 39, Room A-12).

2. Submit the Total Withdrawal Form online **Web4Students.udc.edu.**

DETERMINING THE WITHDRAWAL DATE: The withdrawal date is defined as the date that the Total Withdrawal Form is submitted to the Office of the Registrar or online.

The University does not assess a total withdrawal fee.

A STUDENT WHO TOTALLY WITHDRAWS FROM THE UNIVERSITY MUST APPLY FOR READMISSION TO THE UNIVERSITY.

University's Responsibility to Return Title IV Funds and Order of Return

RETURN POLICY: After notification by a student of his or her withdrawal from the University, the Office of Financial Aid has:

45 days to return Title IV funds

45 days to notify a student of grant overpayment requirements

45 days to notify a student of eligibility for post withdrawal disbursement

90 days to send post withdrawal disbursement to a student and/or parent

The University assesses tuition, fees and books as allowable institutional charges in the calculation of the return of Title IV funds.

A student who totally withdraws from the University and receives a refund check may be in an overpayment status.

Order of Return Policy:

The University returns the lesser of unearned Title IV Aid or The University charges for the period times the percentage of Title IV aid that was unearned. The University must return Title IV funds to the programs from which the student received aid in the following order, up to the net amount disbursed from each source:

Unsubsidized Family Educational Loan
Subsidized Family Educational Loan
Perkins loan
PLUS loan
Federal Pell grant
Federal Supplemental Educational Opportunity grant
Leveraging Educational Assistance Partnership Program (ACG/SMART grants) formerly SSIG
Other assistance under Title IV

Students' responsibility to return Title IV funds: The student must return funds to the Title IV fund from which they were received. The student must return the net amount disbursed from each funding source. A student is required to repay 50 percent of the grant assistance he or she received.

The student (or parent, if a federal PLUS loan) returns funds to the loan programs in accordance with the terms of the loan and to grant programs as an overpayment. In other words, the student will be repaying any unearned loan funds in the same manner that he or she will be repaying earned loan funds. Grant overpayments are subject to a repayment arrangement satisfactory to the University or overpayment collection procedures prescribed by the secretary of the Department of Education.

NOTE: The student automatically retains eligibility for Title IV assistance for 45 days after the University sends the notification of a grant overpayment and request for repayment arrangements to the student.

Procedures for collection of payment to student: The student will be notified in writing within 30 days of the date of the University's determination that the student withdrew and a grant overpayment is due. The following repayment options are available:

A) Pay in full within 45 days.
B) Establish repayment arrangements with the University.
C) Establish repayment arrangements with the Department of Education.

If the student defaults in the repayment agreement, the University will report within 30 days to the Department of Education and National Student Loan Data System (NSLDS) that the student is in overpayment status.

Students requesting additional information should contact the Office of Financial Aid, Building 39, Room 101, or call 202.274.5060.

ONLINE LEARNING AT THE UNIVERSITY OF THE DISTRICT OF COLUMBIA

UDC offers traditional face-to-face, online, and hybrid/blended courses. Fully online courses are currently offered in the College of Arts and Sciences, School of Business and Public Administration, and the Community College, while hybrid/blended courses are more widely found across the University. All of UDC's online courses offer the same high quality and rigor as traditional face-to-face or hybrid/blended courses and use Blackboard 9.1 as their course management system.

Regardless of a course format (online or hybrid), the online learning experiences will be innovative and collaborative. The virtual classroom experience is not self-paced or correspondence-based. Rather, online courses demand weekly or daily interaction. Students should expect to be actively engaged in deliberation, discussion and collaboration. All work will be submitted and delivered electronically by the deadlines established by the respective professors.

Rigorous and rewarding, online courses are equitable to traditional courses, and learning expectations are the same. Students must set aside time each day to read, participate and submit postings or assignments. The amount of time needed for student participation will depend upon the requirements of the course as well as technological capacity. Online learning requires motivation, self-discipline and a strong ability for time management. **Online learners should log into their course(s) on the first day of the semester.**

How do I register for online courses? Step-by-step course registration information may be found in the Course Guide Schedule of Classes. The registration process is the same for traditional face-to-face, blended/hybrid and online courses.

What are the technical requirements for online learning at UDC? Please visit the Center for Academic Technology website to find information about basic technical requirements to support online learning: **lrdudc.wrlc.org/cat/online/tech-requirements.pdf**

What about technical support or online help during the semester? If students need help, they may contact our 24/7/365 help desk: 202.274.5665, toll-free 877.736.2585 or via the Web: **helpdesk.lrdudc.wrlc.org/.**

Where do I access my online course(s)? UDC uses Blackboard 9.1 as its course management system (CMS). Students may access Blackboard (Bb) at: **udc.blackboard.com.**
